Sir:

In reviewing the application file prior to the payment of the Issue Fee, Applicants noted that several documents of record in parent U.S. Patent Application No. 10/175,961 (which issued as U.S. Patent No. 6,768,772) were either incorrectly listed on the PTO-1449 Form that accompanied the Information Disclosure Statement filed on June 30, 2004, or omitted therefrom. Among the documents of record in the parent application are the following documents:

- (1) U.S. Patent No. 5,280,586;
- (2) U.S. Patent No. 5,448,566;
- (3) U.S. Patent No. 6,081,556;
- (4) U.S. Patent No. 6,278,728; and
- (5) Canadian Patent Publication No. CA 202730.

In the Form PTO-1449 that accompanied the Information Disclosure Statement, document (1) was not listed; document (2) was incorrectly listed as 5,488,566, instead of

P24785.A31

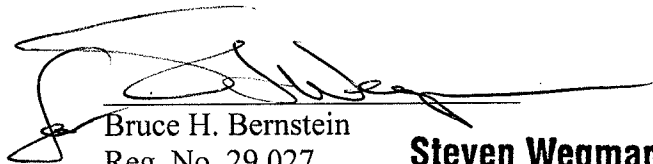

5,448,566; and documents (3) – (5) were inadvertently not listed on the Information Disclosure Statement of June 30, 2004 and the Form PTO-1449 that accompanied the Information Disclosure Statement.

Applicants assume that despite this unintentional error, above-noted documents (1) – (5) were considered by the Examiner, since the documents were cited in the parent application, as evidenced by its listing on the cover of U.S. Patent No. 6,768,772 (i.e., which issued based on the parent application).

To complete the record, Applicants have listed above-noted documents (1) - (5) on an attached Form PTO-1449. Applicants respectfully request that the Examiner initial the appropriate space on the attached Form PTO-1449 and return a copy of the completed Form PTO-1449 to Applicants to confirm consideration of the document.

Should the Examiner have any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,
Stephen PALM
